

9 February 2022

Dear Principal,

Sustainable Development Goals (SDGs) eLearn Award Scheme 2022

Adopted by all United Nations Member States in 2015, the Sustainable Development Goals (SDGs) aims to end poverty, reduce inequality as well as to establish more peaceful and prosperous societies by 2030. Also known as the Global Goals, the SDGs are a call to action to create a sustainable and inclusive world.

Translating SDGs into actions, Hong Kong Committee for UNICEF (UNICEF HK) organizes the SDGs eLearn Award Scheme. Through an eLearn platform and self-directed learning, the Scheme allows students to take online lessons on different SDGs and commit practical steps in daily life in support of sustainable development of local community and the world.

UNICEF HK sincerely invites your school to participate in the captioned award scheme. Schools are welcome to nominate Secondary 1 to 6 students. There is no cap on the number of students nominated by each school. For details of the event, please visit (<https://elearn.unicef.org.hk>).

Enclosed please find the Award Scheme Introduction (Appendix 1), School Registration Procedure (Appendix 2) and School Registration Form (Appendix 3). Schools are welcome to nominate students in joining the Award Scheme by completing the **School Registration Form**, submit the **Student Registration List** and email to edu@unicef.org.hk by **7 March 2022**.

For enquiry, please contact our Specialist, Education Ms Hei Cheung at 2836 2993 or edu@unicef.org.hk.

The support and participation of your school is precious to the implementation of the Scheme. We look forward to join hands with your school to promote the United Nations Sustainable Development Goals and to raise students' awareness on global issues.

Yours Sincerely,

Hong Kong Committee for UNICEF
