## 關於我們 About us

自1996年，聯合國兒童基金會青年使者計劃為香港青少年提供寶貴的學習及參與機會，讓他們了解本地以及世界各地與兒童權利相關的議題，藉此讓青少年更了解全球兒童所面對的挑戰，繼而與UNICEF HK攜手為兒童的福祉帶來改變。  
表現出色的青年使者將有機會獲邀參加海外考察團或工作體驗計劃。

Since 1996, the UNICEF Young Envoys Programme has provided valuable opportunities for Hong Kong youngsters to explore global and local issues in relation to child rights. It not only helps youngsters to gain a better understanding about the challenges facing children globally, but also allows them to work with UNICEF and bring positive changes to the lives of these children. Outstanding Young Envoys will be given opportunities to participate in overseas field visit or gain local workplace experience.

## 青年參與

YOUTH PARTICIPATION

今年，青年使者們運用多元化的方式進行兒童權利的倡議工作，例如短片製作、社區服務、社交媒體和繪本創作等，除了學習到不同的軟實力外，更能夠向公眾表達出兒童的聲音，喚起大眾對香港以至全球兒童議題的關注。

This year, Young Envoys used a variety of methods to advocate for children's rights, i.e. video production, community service, social media and illustration etc. Apart from learning different soft skills, it also expresses the voice of children to the public arousing the public's attention to local and global children's issues.

## Sharing from a Young Envoy

My knowledge of perceptiveness, open-minded thinking and the education system in Hong Kong has expanded from my experience of going to UNICEF workshops. I have learned how to communicate effectively with people I am not familiar with, how to always be proactive in preparation for the future and how to analyze and structure important data.

Overall, being in UNICEF has helped to strengthen my analytical skills and equipped me to be an active global citizen.
